Third Quarterly Report

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the nine months ended 30 September 2023

1. GENERAL INFORMATION

eBroker Group Limited (the “Company”) was incorporated in the Cayman Islands with limited liability under the Companies Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands on 23 May 2016. The Company’s shares are listed on the GEM of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) on 19 February 2019.

2. BASIS OF PREPARATION

The unaudited condensed consolidated financial statements for the nine months ended 30 September 2023 have been prepared in accordance with Hong Kong Accounting Standard 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”). These unaudited condensed consolidated financial statements comply with the accounting principles generally accepted in Hong Kong and the GEM Listing Rules.

The unaudited condensed consolidated financial statements for the nine months ended 30 September 2023 should be read in conjunction with the audited consolidated financial statements for the year ended 31 December 2022 and the notes thereto (the “2022 Audited Consolidated Financial Statements”). The significant accounting policies adopted in the preparation of the unaudited condensed consolidated financial statements are consistent with those followed in the preparation of the 2022 Audited Consolidated Financial Statements except for the new and revised standards, amendments and interpretations issued by the HKICPA that are adopted for the first time for the current period’s financial statements. It should be noted that accounting estimates and assumptions were adopted in the preparation of the unaudited condensed consolidated financial statements. Although the estimates are based on the management’s best knowledge of and judgement on the present events and actions, the actual results may eventually differ from those estimates.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the nine months ended 30 September 2023

3. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

Certain new and revised HKFRSs have been issued. The Directors considered that the adoption of new and revised HKFRSs which are effective for the accounting period beginning on 1 January 2023 will not have any material impact on the preparation and presentation of the results and financial conditions of the current and previous periods. For the HKFRSs that are not yet effective nor have not been early adopted, the Group is in the process of making an assessment of the potential impact of the newly issued HKFRSs.

4. REVENUE

Disaggregation of revenue from contracts with customers by major products or service line for the periods is as follows:

7. SEGMENT INFORMATION

During the periods, all of the Group's contract revenue has been generated from the sale of computer products, provision of contracted trading solutions and development of electronics trading systems for brokerage.

The Group has one reportable segment which is the provision of services to the Group's customers. Information reported to the Group's chief operating decision maker, for the purpose of resources allocation and assessment of the Group's performance, is focused on the operating results of the Group as a whole as the Group's resources are integrated and no discrete financial information is available. Accordingly, no segment analysis or information about the Group's services is presented.

The following table sets out information about the geographical location of the Group's revenue from external customers during the periods. The geographical location of customers is based on the location to which the services were provided or the goods were delivered.

	Three months ended 30 September		Nine months ended 30 September

The weighted average number of ordinary shares for the three months and nine months ended 30 September 2023 and 2022 for the purpose of calculating basic earnings per share has been adjusted to exclude the shares held for share award scheme.

No diluted earnings per share is calculated for the three months and nine months ended 30 September 2023 and 2022 as there was no potential dilutive ordinary share in existence.

11. DIVIDEND

The Directors do not recommend any payment of dividend for the nine months ended 30 September 2023 (2022: HK\$ Nil).

12. RESERVES

The amounts of the Group's reserves and the movements therein for the period and the same period in 2022 are presented in the unaudited condensed consolidated statement of changes in equity in this report.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

The Group is principally engaged in the provision of financial software solution services to financial institutions (including mainly brokerage firms, proprietary trading firms and wealth management companies) in Hong Kong. The Group derives its revenue mainly from front office solution service, back office solution service, installation and customisation services, managed cloud service and other services income.

For the nine months ended 30 September 2023, the Group recorded a revenue of approximately HK\$29.0 million, representing an increase of approximately 6.5% from approximately HK\$27.2 million recorded for the nine months ended 30 September 2022. Profit attributable to owners of the Company for the nine months ended 30 September 2023 amounted to approximately HK\$1.4 million, representing an increase of approximately 51.2% as compared with the profit of approximately HK\$0.9 million for the nine months ended 30 September 2022, such increase was attributable to (i) increase in non-recurring installation and customisation service income by HK\$2.3 million; (ii) decrease in investment loss of approximately HK\$1.5 million and, these were partially offset by (i) the increase in legal and professional fees of approximately HK\$0.5 million; (ii) increase in exchange losses of approximately HK\$1.0 million; (iii) decrease in front office solution service income of approximately HK\$0.8 million; (iv) increase in staff costs by approximately HK\$0.5 million; and increase in amortisation of intangible assets of approximately HK\$0.5 million. The Group has recorded total comprehensive income attributable to owners of the Company of approximately HK\$0.8 million for the nine months ended 30 September 2023 as compared with total comprehensive loss of approximately HK\$2.1 million for the nine months ended 30 September 2022. Such change from loss to income is mainly attributed to exchange differences on translating financial statements of foreign subsidiary approximately HK\$2.0 million during the period.

OUTLOOK

With the ongoing challenges posed by the macroeconomic, persistent inflation environment, as well as escalating geopolitical conflicts and tensions, the financial performance of the Group may potentially be impacted. Nonetheless, the Group will continue its focus on executing and delivering its business strategies in response to changes of the external environment, whilst adopting prudent approach to cost control and risk management. We will continue to explore market opportunities so as to achieve a sustainable business growth and long-term benefits of the Shareholders.

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL REVIEW

Revenue

The Group derives its revenue primarily from the provision of financial technology solutions which can be classified into (i) front office solution service; (ii) back office solution service; (iii) installation and customisation services; (iv) managed cloud service and (v) other services income. For the nine months ended 30 September 2023, the Group recorded revenue of approximately HK\$29.0 million, representing an increase of approximately 6.5% as compared with the previous corresponding period of approximately HK\$27.2 million. Such increase was mainly attributable to the significant increase in installation and customisation services income. The installation and customisation services income increased by approximately 160.1% from approximately HK\$1.5 million for the nine months ended 30 September 2022 to approximately HK\$3.8 million for the nine months ended 30 September 2023. The Group's managed cloud service income decreased by approximately 10.7% from approximately HK\$2.39 million for the nine months ended 30 September 2022 to approximately HK\$2.1 million for the nine months ended 30 September 2023. Back office solution service income increased by approximately 0.5% from approximately HK\$7.8 million for the nine months ended 30 September 2022 to approximately HK\$7.9 million for the nine months ended 30 September 2023. Front office solution service income decreased by approximately 5.8% from approximately HK\$13.9 million for the nine months ended 30 September 2022 to approximately HK\$13.1 million for the nine months ended 30 September 2023.

Purchases of and Changes in Inventories

The Group's purchases of and changes in inventories for the nine months ended 30 September 2023 increased by approximately HK\$257,000. Such increase was primarily due to an increase of approximately HK\$280,000 in product sales of the Group for the nine months ended 30 September 2023.

Profit before Tax

The Group's profit before tax for the nine months ended 30 September 2023 was approximately HK\$1.4 million, representing an increase by approximately 51.0% when compared with its profit before tax of approximately HK\$0.9 million for the nine months ended 30 September 2022. This was primarily due to the increase in installation and customisation income by approximately HK\$2.3 million for the nine months ended 30 September 2023.

Other Income

The Group's other income consists of government subsidies and interest income on bank deposits. The Group's other income decreased to approximately HK\$833,000 from approximately HK\$895,000 for the nine months ended 30 September 2022 due to an increase in interest income by approximately HK\$350,000 and decrease in the government subsidies by approximately HK\$427,000.

MANAGEMENT DISCUSSION AND ANALYSIS

Staff costs

For the nine months ended 30 September 2023, the Group's staff costs increased by approximately HK\$0.5 million (30 September 2022: approximately HK\$17.2 million).

Depreciation

The Group's depreciation expenses decreased by approximately HK\$35,000 for the nine months ended 30 September 2023 representing a decrease of approximately 1.9% from approximately HK\$1.8 million for the nine months ended 30 September 2022. The decrease was primarily due to the decrease of depreciation expenses for right-of-use-assets during the period.

Other Operating Expenses

The Group's other operating expenses mainly include (i) cost of services; and (ii) building management fee and rates. The Group's other operating expenses for the nine months ended 30 September 2023 were approximately HK\$7.5 million, representing an increase of approximately 39.7% over the other operating expenses of approximately HK\$5.4 million for the nine months ended 30 September 2022. The increase was primarily attributable to an increase in exchange losses of approximately HK\$1.0 million.

Income Tax Credit/(Expense)

The Group's income tax expense for the nine months ended 30 September 2023 was nil, representing a decrease from a tax expense approximately HK\$1,000 for the nine months ended 30 September 2022. Such decrease was due to the tax loss brought forward from the year 2022. The tax credit/(expense) for the period ended 30 September 2023 and 2022 represented the over/(under)-provision of profits tax in prior period.

Profit for the period attributable to owners of the Company

Profit attributable to owners of the Company for the nine months ended 30 September 2023 amounted to approximately HK\$1.4 million, representing an increase of approximately 51.0% as compared with the profit of approximately HK\$0.9 million for the nine months ended 30 September 2022. The significant increase was primarily attributable to the increase in installation and customisation service income of approximately HK\$2.3 million for the nine months ended 30 September 2023.

DIVIDEND

MANAGEMENT DISCUSSION AND ANALYSIS

SHARE AWARD SCHEME

On 12 August 2019, the Company adopted the Share Award Scheme. The Shares under the Share Award Scheme will be acquired by the trustee by way of subscription of new shares (whether pursuant to general mandate or specific mandate granted by the Shareholders or otherwise) and/or purchase of shares from the market out of the funds contributed by the Group and be held on trust for the participants until such awarded Shares are vested in the relevant selected participants in accordance with the rules of the Share Award Scheme. Subject to any early termination as may be determined by the Board by resolution, the Share Award Scheme shall be valid and effective for a term of 10 years commencing from the date of adoption of the Share Award Scheme. The Board shall not make any further award of awarded shares which will result in the total number of issued Shares awarded by the Board under Share Award Scheme exceeding 10% of the total number of issued Shares (being 123,000,000 Shares) from time to time. The maximum number of Shares which may be awarded to one selected person under the Share Award Scheme shall not exceed 1% of the issued share capital of the Company from time to time.

During the nine months ended 30 September 2023, the trustee of the Share Award Scheme, pursuant to the terms of the rules and trust deed of the Share Award Scheme, did not make any purchase any Shares on the Stock Exchange. As at 30 September 2023, there were 88,280,000 Shares held by the trustee pursuant to the Share Award Scheme.

On 20 January 2022, the Board has resolved to grant an aggregate of 9,280,000 award Shares, all in the form of existing Shares, to 45 selected persons under the Share Award Scheme. Subject to the satisfaction of the vesting conditions, 980,000 of the award Shares shall be vested on the date of grants, 4,640,000 of these award Shares shall be vested to the respective selected persons on 31 December 2022 and 3,660,000 of the award shares shall be vested to the respective selected persons on 31 December 2023. For details, please refer to the Company's announcement dated 20 January 2022.

As at 1 January 2023 and 30 September 2023, being the beginning and the end of the period under review, the number of award Shares available for grant under the Share Award Scheme shall be 88,280,000 and 88,280,000 respectively, representing approximately 7.18% and 7.18% of the Company's issued share capital as at that date respectively.
